Vancouver, BC, December 7, 2006--(T-Net)--Top Producer Systems announced the appointment of Scott Bulmer to the position of Director of Product Development, effective December 4, 2006.

Reporting to Tommy Lee, Vice President of Software Engineering, Mr. Bulmer will be responsible for planning and directing the overall development of Top Producer's "TP Online" product.

"I'm very excited about joining the Top Producer team," Mr. Bulmer remarked. "I believe that my experience in the CRM industry is a very good fit for this organization, and I look forward to working with the team to strengthen TP Online's position as a world-class application and the industry standard." In his new role at Top Producer, Mr. Bulmer brings over ten years of experience of software industry experience, including the development and management of various applications and synchronization of technical roadmaps.

Mr. Bulmer joins Top Producer from Pivotal Corporation, where he held various senior software development roles.
